

## **Vanadium One Iron Corp. Launches New Website**

TORONTO, CANADA, July 18<sup>th</sup>, 2019 - Vanadium One Iron Corp. (TSXV:VONE), is pleased to announce that it has launched its new website, which includes the NI 43-101 Mineral Resource Estimate report and a new corporate presentation providing the latest developments and strategy for moving forward. New content will be added to the website on a regular basis. The Company welcomes everyone to visit the website to follow the growth and development of Vanadium One Iron Corp.

Martin Walter, Vanadium One CEO, commented, "The launch of our new website represents a positive step forward for the Company and we will use it to inform the public of our progress, along with other industry specific items of interest. The website is a valuable information portal for investors and will be kept current with up to the minute developments at Mont Sorcier."

About Vanadium One Iron Corp.

Vanadium One Iron Corp. is a mineral exploration company headquartered in Toronto, Canada. The Company is focused on advancing its Mont Sorcier Project. The Mont Sorcier Project is a bulk tonnage magnetite iron ore and vanadium deposit, with very low titanium content, located near the northern Quebec mining town of Chibougamau, with access to world class infrastructure including rail, shipping and power.
